MY GOALS

- ▶ To improve foreign language competencies through understanding of English Language Teaching Methodology
- ▶ To improve competencies for teaching and working with students in primary and secondary school
- ▶ To improve learning performance through self-reflection on personal teaching, and to develop special skills by exploration of classroom materials and teaching options

MY GOALS

- ▶ To learn about Maltese Education System.
- ▶ To enhance intercultural awareness by forming connections with colleagues from different countries and sharing teaching experiences in an objective developmental environment
- ▶ To gain an insight into Maltese culture and heritage through the cultural experience
