Technology and English for Each Student

Answer key:

1. *Colour dictation*

Teacher says: Number 1 is red.

Number 2 is yellow.

Number 3 is brown.

Number 4 is light blue.

Number 5 is green.

Number 6 is dark blue.

2. *Write the numbers under the pictures*

Teacher says: Number 1 is singing.

Number 2 is a scared face.

Number 3 is a bag.

Number 4 is reading.

Number 5 is a parrot.

Number 6 is a pencil.

Notes: Students don't know English alphabet. They can't read and write. So the teacher say how to colour the picture and a number of the pictures in English. He checks whether students know the words in the test.
